## **CHURCH BUILDING WORKS**

Since the church's last inspection by an architect in late 2015, the Churchwardens and PCC have been planning repair works to the roof. It is hoped that these will rectify the water ingress that can be seen inside around the chancel arch.

The works will continue for the rest of this week. During this time, access to the church building on weekdays is restricted. **The church is closed to users from 7am to 4pm, Monday to Friday this week.** We ask that regular users, such as flower arrangers, church cleaners and count personnel, undertake their duties after 4pm on weekdays, or at weekends.

**The Eucharist at 12.30pm on Tuesdays and 9.30am on Thursdays CONTINUES as usual.** Vehicular access is still possible, but if you attend these services and are able to park on the Green, that would be much appreciated.
